

The Museum of Work – our collection of 3 stars

Done by participants from Sweden, Portugal, Poland

The Museum of Work shows working life and working conditions through exhibitions, seminars and programme activities. It is an innovative meeting place which promotes discussion on peoples work, lives and conditions. We visited the <https://www.arbetetsmuseum.se/utstallning/sounds-of-changes/> and were inspired there by the EU Sounds of Changes project.

Here is a task for you: Please listen to our 3 stars recordings and guess who/what generated the sound. Are our photos located in a proper place?

The screenshot shows the 'Experience Norrköping' website. On the left is a large photo of the Museum of Work (Arbetsmuseum) building. To the right is a Google Map of Norrköping with three stars marking locations: a red star near Holmentorget, a yellow star near Kvarngatan, and a green star near the Norrköping stadsmuseum. Below the photo and map are several category tags: Culture & history, For groups, Attractions, Family friendly, Design & craftsmanship, Shopping, and Activities.
