Free online professional development academy is for educators worldwide. Take a look at the courses available https://moodle4teachers.org/course/index.php

The initiative was founded by Dr. Nellie Deutsch in 2009 in order to bring free e-learning to developing and developed countries in blended and fully online programs. The aim of the online school is to provide free Moodle training for teachers, technology coordinators at schools and businesses, and ICT leaders around the world. In addition, M4T offers free professional development courses, MOOCs, webinars, online conferences, and other online events for educators around the world.
All the courses on online professional development school are free for educators worldwide. Take a look at the courses available https://moodle4teachers.org/course/index.php
