# **Sustainability and synergy of Erasmus+ projects**

## **Trwałość i synergia projektów Erasmus+**

**Dr Anna Grabowska**

Dr. Eng. Anna Grabowska has over 25 years of experience in distance education. In 1994 she received a master's degree at the [University De Montfort in Leicester](#) in the UK. In 2001 she defended her doctoral thesis with the title of a doctor of technical sciences at [Gdansk University of Technology](#). Since 1995 she has been the manager of Autodesk Authorised Training Centre at Gdansk University of Technology ([Autodesk Academic Partner](#)). In 1998-2004, she served as head of the Distance Education Centre at Gdansk University of Technology. She is a founding member of the [Association of Academic E-learning](#), an advisor at [U3A online](#). Since 13 years she has been conducting meetings with the computer for seniors at Gdansk University of Technology. She has been involved in educational European projects dedicated to [Lifelong Learning for All](#).

# Sustainability in Cambridge Dictionary

the quality of being able to  
continue over a period of time

# Project sustainability

continuation of project activities  
and maintenance of its results  
after the expiry of the initial  
grant.

# Trwałość projektu

kontynuacja działań  
projektowych i utrzymanie jego  
rezultatów po wygaśnięciu  
początkowej dotacji.

# Strategic Partnership for Creativity and Entrepreneurship - SP4CE

## The project Runtime

1 September 2014 – 31 August 2017

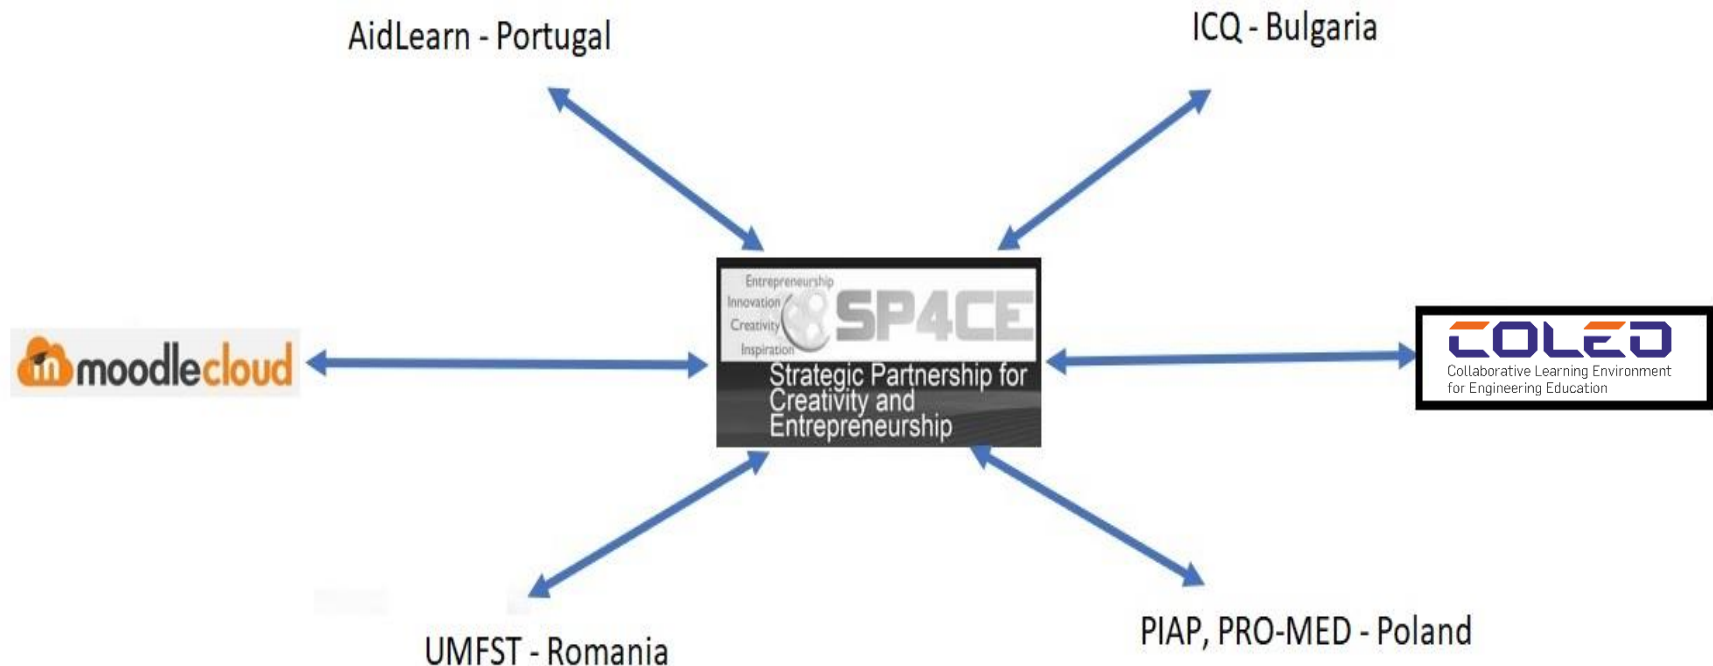

# Collaborative Training Platform – CoLED

## The project Runtime

1 October 2018 – 31 December 2020

# SP4CE & CoLED Moodle platforms

<http://coled-project.eu/>

## COLED RESULTS

- 
**CoLED Teaching Methodology**  
 Developed CoLED teaching methodology providing specific information on actual needs, requirements and preferences of the target groups created with a methodological approach to guide the users how to use CoLED platform and the learning materials including organization of training, group problem solving and definition of case studies.
- 
**CoLED Guidelines**  
 Short summarized description of the portal functionalities and training materials elaborated. The Guidelines will also function as a dissemination/marketing teaser to get the audience interested in the course
- 
**CoLED Collaborative Training Platform**  
 Innovative ICT platform supporting collaborative learning, group interactions, gamification of learning (achievements), group communication, evaluation of team tasks and projects, group discussions, identification of users activity (logs system), etc.
- 
**CoLED Automation for Manufacturing Training**  
 Practice oriented, transferable and re-designable training and assessment resources for people interested in introducing solutions for automation and robotics

# The CoLED workshop at IwE 2020

The screenshot displays a Cisco Webex Meetings window. The top bar shows 'Cisco Webex Meetings' and 'Meeting Info'. The main area is a grid of 20 participant video feeds, each with a name and a small icon. The participants are arranged in a 4x5 grid. The right-hand sidebar shows 'Participants (30)' and 'Chat'. The chat window contains messages from Anna Grabowska and Ewa Kozłowska. The bottom control bar includes buttons for 'Mute', 'Start video', 'Share', 'Record', and 'Participants'.

**Participants (30)**
