5	Market Hall	<p>Market Hall was built at the end of the 19th century on Dominikanski Square, which was always full of life and trade. Inside it, the space was divided into three commercial routes by 22 cast-iron pillars, in which were used constructional solutions typical of viaducts - this allowed, among others, to increase their resistance to severe frosts. Four gates led to the centre of the building (until today nothing has changed).</p>	 <p>What is the sign above the gate to the Market Hall? The Gdańsk coat of arms is located above each of the four gates.</p>	
6	Grand Arsenal	<p>Standing at the end of Piwna Street, this elegant building shows Flemish Renaissance influences.</p>	 <p>When was it build? 1602-1605</p>	
7	Golden Gate	<p>The gate is a mix of Flemish and Italian styles. Since its reconstruction and renovation it has served as a symbol of the city as a whole. There are several figures on a top of the gate. Below the figures you can read the Latin Maxim: 'Small states grow in harmony, large states fall in discord'. Walk through the gate, you can see an exceptional view of Długa street and the Town Hall.</p>	 <p>How many figures are standing proudly on top of the gate? 8</p>
